Podsumowanie oferty

FullStack WordPress Developer

Gdańsk

We are looking for an experienced FullStack WordPress Developer to join our client's team. The company develops its product, which is successfully operating in Poland and in many foreign countries. The team is not big, so you will be an important part of it. Your main responsibility will be maintaining and developing new features in the web application. An international team develops the product, so you will need to travel to the Netherlands occasionally.

What do we expect?

- Great knowledge of WordPress
- At least 3 years of experience in PHP 7+
- Experience with frontend technology
- Experience with relational databases (MySQL)
- Knowledge of CMS systems
- Fluent English
- Willingness to travel for work to Breda, Netherlands

What will be appreciated:

- Experience with OpenCart
- Knowledge of Redis and MongoDB
- Experience with AWS and Kubernetes

What we can offer you:

- 12 000 -17 000 PL on B2B contract,
- 26 days of paid time off for a B2B contract,
- Any form of contract (UoP, B2B),
- Hybrid, preferable at least 2x weekly in the office,
- Private medical care for you and your family; 100% paid by the company
- Development budget (PLN 3,000 per year),
- Hybrid, preferable at least 2x weekly in the office
- Multisport,
- Underground car park (also for bikes),
- Peer-to-peer recognition with bonus.ly,
- English lessons.

If you feel that this could be a place for you, do not hesitate and apply via the form below or contact Agnieszka via e-mail agnieszka@bingohr.pl. We are waiting for you.
